Dear Dr Matthew Chen,

**SUB: LETTER OF SUPPORT FOR THE MALAYSIAN CONGRESS GERIATRIC MEDICINE (MCGM) 2025**

We are delighted to share that Malaysian Society of Geriatric Medicine (MSGM) will be hosting the 20th National Geriatric Conference (Malaysian Congress of Geriatric Medicine 2025) from 7 - 9 August 2025 at Courtyard Hotel, Melaka, Malaysia.

With the theme "Integrating Care for Ageing Populations: Connecting the Dots", this congress aims to bridge the gaps in the care of older adults, connect various healthcare professionals, including doctors and allied health practitioners, and cultivate valuable collaborations that will significantly contribute to the well-being of our older population.

On behalf of the Organising Committee, we would like to seek your support in circulating our collaterals amongst your esteemed members. We believe they will benefit from this opportunity to engage with leading experts and peers in the geriatric field.
